ORDER

Before the Court is pro se Plaintiff's Motion to Compel Discovery and Production of Documents. Dkt. # 25. The Court has considered the materials filed in support of, and in opposition to, the motion; the rest of the case file; and the governing law. Being fully advised, the Court rules as follows:

Plaintiff provides no indication that he served Defendants with discovery requests under the Federal Rules of Civil Procedure; and Defendants contend that Plaintiff has not served any such discovery. Also, Plaintiff has failed to certify that a "meet and confer" took place before the filing of the motion. *See* Fed. R. Civ. P. 37(a)(1); LCR 37(a)(1). Accordingly, the Court DENIES the motion.
